BEER ASSESSMENT

To finance the social affairs of the station, the Ganeral Board voted on September 27, 1967 to assess a $5 social fee from each member of the General Board. Failure to pay within three weeks of due date will result in de-activation.

BEERDUST

All members of the General Board and their dates are invited to Stardust each Friday evening for beer, popcorn, and general good times, when finances permit. Male non-members must pay for any beer they consume.

General Board Meetings

The General Board meets twice monthly. Usually the members are notified by mail of scheduled meetings. Members who must be absent must notify the secretary within two days before or after the meeting. Two unexcused absences in a year will result in de-activation. Secretary's minutes of each G. B. meeting are posted in the supe's office.

Executive Board Meetings

The Executive Board meets each week. Minutes are posted in the supe's office.
